

DUCK POND BERM DATA SHEET

Duck Pond Berms are built for convenience. They offer quick and easy drip containment and even secondary containment for smaller items, like fuel cans, small drums, batteries, compressors, generators, hoses etc. Their foam walls flex and bend, making them easy to store and enabling you to roll items in and out with hand trucks or forklifts.

WHAT YOU NEED TO KNOW

- 22 oz. PVC material
- 2 or 4" foam walls
- Thermal welded 1.5" seams
- Quick set up. Simply unsnap, unfold and position the berm.
- No tools required.
- Roll in and out with hand trucks and other equipment.
- Positive snap buckles secure the berm for storage in vehicles, equipment and storage closets.
- Proudly made in the USA
- EPA, OSHA, NPDES compliant. Meets 40 CFR 112.7, 40 CFR 122.26, 40 CFR 264.175
- Standard 1 year warranty
