

# GOGO BERM DATA SHEET

There's nothing worse than fumbling around with a cumbersome product while you watch a spill spread out across the ground. That's why we created the GOGO Berm. It's quick and easy to set up. All you'll have to do is unsnap the storage strap, unfold the berm and set it in place.

## WHAT YOU NEED TO KNOW

- Quick and easy set up
- Efficient design lets you use 100% of the berm's internal space
- No tools or assembly required
- Withstands accidental impacts and drive overs
- Storage strap keeps the berm folded during storage
- Smaller GOGO berms fit behind or under a pickup seat
- 18 oz. PVC construction
- EPA, OSHA and NPDES compliant (40 CFR 112.7, 40 CFR 122.26, 40 CFR 264.175)
- 1 year warranty
- Comes in black, orange and yellow
